- i. Each party's "statement," as contemplated under Chapter 2, Section 20(b)(6), is due July 17, 2026. In the event a party does not withdraw a disputed ballot at that time, they must still file a statement indicating such.
- c. Senate District 23(*Copenhaver v. Deery*)- The Commission will convene on **July 28, 2026 at 9:00a ET**. The hearing will take place in the **SBOA Conference Room – Government Center South** (302 W. Washington St., Room E 418, Indianapolis, IN 46204). The parties should be prepared to proceed as follows:
 - i. The Recount Director will present a report of the precincts where there are no disputed ballots and request that the Commission count those votes (Ch. 2, Sec. 20(b)(2)).

 1. Given the number of disputed ballots in this matter, the Recount Director orders that each party file their "statement" under Subsection (6) on or before July 24, 2026.  - v. The Recount Director will present a brief overview of each discovery issue/dispute for the Commission (one-by-one). The moving party will have 5 minutes for each motion/request and the non-moving party will have 5

³ The Recount Director understands that this is an aggressive timeline when coupling the briefing of the parties. However, the parties are well-aware of the timing issues associated with the SD 23 matter and desire of the Recount Commission to reach adjudication as soon as practically possible. Thus, the parties should use their best efforts to winnow down any disputed ballots that are no longer in dispute so that the parties and Commission can move forward in the most efficient way possible.

minutes to respond. The moving party may have 2 minutes for brief rebuttal, if permitted by the Commission. The Commission reserves the right to permit additional time for argument/response upon request. The Commission will then discuss and be permitted to ask questions before deciding whether such discovery shall be permitted. Each party should be prepared to address any stipulations or potential logistical issues that may be pertinent to such discovery (i.e.- *Who will sign future subpoenas from the Commission? Where will this take place? etc.*). The discovery motions/issues will be addressed as follows:

1. *Copenhaver's Subpoena to Produce Documents or Things to Tippecanoe County Clerk Julie Roush (App. B to Petition);*
 2. *Copenhaver's Subpoena to Produce Documents or Things to Tippecanoe County Elections & Voter Registration Board (App. C to Petition);*

6. The Recount Director may issue additional orders, memoranda, and/or agendas ahead of the respective hearings to assist with the efficient and orderly adjudication of these matters.
 7. Any objections/concerns with this Order should be promptly brought to the attention of the Recount Director (while copying opposing party/counsel).
 8. The Recount Director takes no further action regarding the requested Contest proceeding as part of this Order.

9. The Election Division shall send a certified copy of this order in accordance with Indiana Code 3-12-11-12(f) by electronic mail to the Petitioner and Respondents, unless the attorney for that party has filed an appearance for Petitioner or Respondent and by certified mail in all other cases.
