

2026 Military & Overseas Voters' Guide

Provided by the Indiana Secretary of State
and the Indiana Election Division
Revised January 2026

Military & Overseas Voters

Introduction

Dear Indiana Voter:

As Co-Directors of the Indiana Election Division, it is our great pleasure to provide you with the *2026 Indiana Military and Overseas Voters' Guide*. Within this guide, you will find the information and the application forms necessary for you to vote in Indiana this election year.

Our office, your local election administrators, and the federal government want to provide you with every opportunity to cast your ballot regardless of where you currently serve or reside.

In 2002, Congress passed, and the President signed, a significant piece of election reform legislation – the Help America Vote Act. Some of the most important measures included in this law pertain to members of the military and U.S. residents living abroad.

Federal law now requires that Military Voting Assistance Officers be given the time and resources they need to help military personnel vote. Likewise, the Department of Defense must provide timely information about voting deadlines and make certain all military ballots are properly postmarked.

States may not refuse absentee ballot applications for being submitted earlier than the general deadline and if a state rejects an absentee ballot application from a military or overseas voter, the voter must be notified why the application was rejected.

In 2010, the Military and Overseas Voter Empowerment Act (MOVE) became law. Under this federal legislation, military and overseas voters have greater opportunities to use email to receive and return voter registration applications, absentee ballot applications, and even the absentee ballot itself. In addition to MOVE, Indiana passed its own law in 2010 to make it easier for military and overseas voters to cast a write-in vote for any candidate or public question on the ballot. Indiana's expanded version of the Federal Write-In Absentee ballot (FWAB) protects the rights of military and overseas voters to have their votes counted, even if there is a delay in receiving their official ballot.

The right of citizens to popularly elect those who will represent them is among the most important civil liberties. This right does not end at Indiana's state line or our nation's border. We hope you will find this information useful and in return will take the opportunity to cast your vote this year.

Sincerely,

General Information

WHO CAN VOTE?

You have the right to vote in an Indiana election if you meet ALL of the following criteria:

- You are a U.S. citizen; *AND*
- You are a resident of Indiana; *AND*
- You will be at least 18 years of age at the next primary, municipal, special, or general election; *AND*
- You have lived in the precinct where you vote for at least 30 days before the election; *AND*
- You are not currently in prison after being convicted of a crime; *AND*
- You are registered to vote.

WHO IS A MILITARY VOTER?

A military voter, otherwise known as an “absent uniformed services voter,” is an individual serving away from his/her place of permanent residence who is also:

- A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, Space Force, or other uniformed service on active duty who, by reason of active duty, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Merchant Marine who, by reason of service in the Merchant Marine, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Indiana National Guard deployed or on assignment outside of Indiana.
- A spouse or dependent of a member referred to above who, by reason of the active duty or service of the member, is absent from the place of residence where the spouse or dependent is otherwise qualified to vote.

(See Indiana Code 3-5-2.1-2 for definition of "absent uniformed services voter")

WHO IS AN OVERSEAS VOTER?

An overseas voter is:

- A person who resides outside of the United States AND who is qualified to vote in the last place in which the person was domiciled before leaving the United States.
- A person who resides outside the United States and, but for such residence, would be qualified to vote in the last place in which the person was domiciled before leaving the United States.

(See Indiana Code 3-5-2.1-75 for the definition of “overseas voter”)

An Indiana voter who lives abroad and does not intend to return to their Indiana residence (or whose return is uncertain) will be registered to vote at the county voter registration office and may only vote for federal offices. A US citizen who has never resided in Indiana and currently resides overseas is not eligible to vote in Indiana.

HOW DO I REGISTER TO VOTE AND REQUEST AN ABSENTEE BALLOT?

The Federal Post Card Application, Standard Form 76 (FPCA) is a combined voter registration and absentee ballot application only available to military and overseas voters. An FPCA expires on December 31 in the year it was received.

If filed and timely received before Indiana’s May municipal primary election, the form serves as the voter’s absentee application for the municipal primary and general elections. Be certain to read the directions carefully and complete all areas of the form. (Remember, for the May 5, 2026, Primary Election you must indicate your party affiliation in Box 6 in order to vote.)

Voter Registration Q&A

An FPCA can be returned by fax, email, hand delivery or by mail. County contact information is provided later in this *Guide*. The FPCA form can be found in this *Guide* and is also available at www.FVAP.gov, www.in.gov/sos/elections, or www.indianavoters.com.

WHAT HAPPENS AFTER I RETURN MY FEDERAL POST CARD APPLICATION?

Your county registration official first processes your voter registration request, if applicable. If you are registering to vote for the first time in Indiana or have an update to your existing Indiana registration and your application is approved, officials will make the requested change. If your registration is rejected, you will be notified with the reason. If you are registering for the first time or an update is made to your registration, your registration is in “pending” status for seven days. Once your registration status moves out of pending status or you are currently registered at the address noted on the FPCA, then the county election office can process your absentee application request.

I'M NOT REGISTERED TO VOTE. WHEN IS THE DEADLINE?

Your county voter registration office must receive a state or federal voter registration application by April 6, 2026 (29 days before the Primary Election), or by October 5, 2026 (29 days before the General Election). **However, under an Indiana law, the deadline for a county voter registration office to receive a registration application from a military or overseas voter using the FPCA is extended to eight days before the election (April 27, 2026, before the Primary Election, or October 26, 2026, before the Election).**

ARE THERE ANY EXCEPTIONS TO MISSING THIS REGISTRATION DEADLINE?

Yes, certain military voters and their family members meeting the following criteria can still register after the eight-day deadline.

TO QUALIFY FOR THE EXCEPTION FOR LATE REGISTRATION, YOU MUST

- Meet the other general qualifications to vote in Indiana (Listed on page 2).
- Complete a voter registration application.
- Not have already voted at any other precinct in the election.
- For the **May 5, 2026** Primary Election
 - ⇒ Have been absent from Indiana from December 1, 2025, through April 27, 2026.
 - ⇒ Have returned to Indiana on or after April 28, 2026.
 - ⇒ Provide your discharge papers (dated on or after December 1, 2025) or a government movement order (with a reporting date on or after December 1, 2025) to your county.
- For the **November 3, 2026** General Election
 - ⇒ Have been absent from Indiana from May 19, 2026 through October 26, 2026.
 - ⇒ Have returned to Indiana on or after October 27, 2026.
 - ⇒ Provide your discharge papers (dated on or after May 19, 2026) or a government movement order (with a reporting date on or after May 19, 2026) to your county.

NOTE: Overseas voters who are uncertain of their return to Indiana are registered to vote in the precinct containing the address of their county voter registration office pursuant to Indiana state law.

HOW CAN I CHECK THE STATUS OF MY FPCA?

You can monitor the status of your voter registration and absentee application by logging into www.indianavoters.com. If you are unable to use the online system, please contact your county election official using one of the contact methods found later in this *Guide*.

Absentee Voting Q&A

HOW CAN I CAST MY ABSENTEE BALLOT?

You have four choices of methods to cast your absentee ballot in Indiana.

- 1) **Vote by mail:** You may submit a Federal Post Card Application, Standard Form 76 (FPCA) to the county of your permanent residence, and your ballot will be sent to you. The ballot must be postmarked by the date of the election and received in the office of the circuit court clerk not later than noon, ten (10) days after the election to be counted.
Vote by email: You may submit an FPCA requesting an absentee ballot by email and return your ballot through email directly through to your county election office or using a program operated by the Federal Voting Assistance Program (www.FVAP.gov) of the U.S. Department of Defense.
- 2) **Vote by fax:** You may submit an FPCA requesting an absentee ballot by fax and return your ballot by fax directly through to your county election office.
- 3) **Vote absentee in person:** If your circumstances change and you are able to vote absentee in-person (or vote in-person at your designated polling place on Election Day) for your permanent residence, then you should contact your county election office for instructions on how to proceed.

HOW CAN I APPLY FOR MY ABSENTEE BALLOT?

You may apply to vote an **absentee ballot using the Federal Post Card Application (FPCA)** by:

- 1) **Mail:** Complete and return the **Federal Postcard Application (FPCA)** form and return it to your county clerk's office by mail.
- 2) **Email or fax:** Complete and return the **FPCA** form and return it to your county clerk's office by email or fax.

The FPCA is available online at www.in.gov/sos/elections, www.indianavoters.in.gov, or www.fvap.gov. Contact information for your county election officials are found in this *Guide* or on www.fvap.gov.

NOTE: Your approved absentee ballot application on the FPCA remains in effect **until December 31 following the date of your application**. Your ballot will automatically be sent to the address you listed on your application. You do not need to re-apply for a ballot while your application remains in effect for the remainder of that calendar year.

DOES THE STATE'S IDENTIFICATION REQUIREMENT ON ABSENTEE APPLICATIONS APPLY TO FPCA?

State law requires all absentee voters, including those using the Federal Post Card Application (FPCA), to provide their Indiana driver's license or state ID card number, the last four digits of their social security number, or their unique ID number created by the statewide voter registration system. On the FPCA, this identification number can be provided in section 1 or noted in section 6 of the form. The voter identification number must match the ID number on the voter's registration record or, if not present, the driver's license number or social security number must match records maintained by the respective agency. If the number matches, then your Indiana registration record will be updated to include this voter ID number. If the number does not match, then your absentee application will be rejected by county election officials and notice of disposition sent to you.

Alternatively, a voter can provide a copy of an ID that complies with the Indiana photo ID law. A photo ID must be issued by the state of Indiana or federal government and include the voter's name that reasonably conforms to the voter's registration name along with their photo. The ID must also be current or expired since the last general election (November 5, 2024); however, military IDs may be exempt from this requirement. Indiana college or university IDs no longer comply with this law.

Absentee Voting Q&A

WHAT IS THE DEADLINE FOR APPLYING FOR AN ABSENTEE BALLOT USING THE FPCA?

To request an absentee ballot be sent by mail:

- The deadline for the county election office to receive the FPCA is 11:59PM, local prevailing time, Thursday, April 23, 2026, for the **May 5, 2026 Primary Election**.
- The deadline for the county election office to receive the FPCA is 11:59PM, local prevailing time, Thursday, October 22, 2026, for the **November 3, 2026 General Election**.

To request an absentee ballot be sent by email or fax:

- The deadline for the county election office to receive the FPCA is noon, local prevailing time, May 4, 2026, for the **May 5, 2026 Primary Election**.
- The deadline for the county election official to receive the FPCA is noon, local prevailing time, Monday, November 2, 2026, for the **November 3, 2026 General Election**.

WHAT IS THE DEADLINE FOR RETURNING MY ABSENTEE BALLOT AS AN OVERSEAS VOTER?

If an overseas military or overseas civilian voter requested their absentee ballot be mailed, then the ballot will be counted and included in official returns as long as:

- 1) The absentee ballot envelope is **postmarked** not later than the date of the election; and
- 2) The absentee ballot is **received** not later than noon, local prevailing time, on the deadline for counting provisional ballots, **May 15, 2026** (by noon, 10 days after the May 5, 2026, Primary Election), or by **Nov. 13, 2026** (by noon, 10 days after the Nov. 3, 2026, General Election).

NOTE: The U.S. Post Office updated its definition of a postmark, which may impact when a postmark date will appear on your returned absentee ballot envelope. Military and overseas voters are encouraged to file the Federal Write-In Absentee Ballot (FWAB) as a back-up ballot in case the original ballot sent to you as requested on the FPCA is not timely received by county officials.

If the voter requested their absentee ballot to be faxed or emailed, then the ABS-9 ballot secrecy waiver and completed absentee ballot must be received by county officials not later than 6:00 PM, local prevailing time, on May 5, 2026 (Primary Election Day) or Nov. 3, 2026, (General Election) Day.

NOTE: The county election board must receive absentee ballot sent by mail from stateside military voters not later than 6 p.m., local prevailing time, on Election Day.

HOW CAN MY BALLOT BE SECRET IF I EMAIL OR FAX IT BACK?

In return for the convenience of faxing or emailing back your completed ballot, you will have to sacrifice some ballot secrecy. The ABS-9 form is a cover sheet and affidavit in which you will sign the "Voluntary Waiver of Secret Ballot" and thus waive your right to a secret ballot. Your county election office will require that you send this form along with your completed ballot.

Once your emailed or faxed ballot is received, your county election office will "remake" your ballot on the proper ballot stock to ensure the voting system is able to tabulate it. County officials take every possible precaution to preserve your ballot's secrecy as it is counted with the other absentee ballots.

DOES INDIANA ACCEPT THE FEDERAL WRITE-IN ABSENTEE BALLOT (FWAB)?

Yes, but an FPCA must be on file with the county election office in order for the FWAB to be counted. The FWAB is only used in the event a military or overseas voter's absentee ballot is not timely received. The FWAB then serves as a "back-up" ballot for the voter and those choices record.

WHAT IF I HAVE MORE QUESTIONS?

Please contact your county election office or state election officials using the contact information found later in this *Guide*.

ELECTRONIC TRANSMISSION (FAXING) OF ELECTION MATERIALS

The FVAP's Electronic Transmission (Faxing) Service (ETS) allows citizens and state and local government officials to fax and email election materials, such as a request for registration and/or ballot (FPCA), a blank ballot sent to the voter by the local election official, a voted ballot returned to the local election official, and other election materials when conditions do not allow for timely receipt and return of these materials as allowed by state law.

To maintain the integrity of the electoral process and provide an audit trail of transmissions, all faxing must be done to one of the following numbers: (or to your county directly—see the following pages for county fax numbers) **If your country is not listed above**, please use one of the central numbers: (703) 693-5527 or DSN 223-5527.

**STATEMENT CONCERNING DEFECTIVE,
LOST, DESTROYED, OR SPOILED ABSENTEE BALLOT**
State Form 47696 (R13 / 6-25)
INDIANA ELECTION DIVISION (IC 3-11-4-17.7; 3-11.5-4-2)

(ABS-5)

INSTRUCTIONS: Use this form when: (1) a voter has been mailed an absentee ballot and then notifies the county election board that the ballot has been destroyed, spoiled, lost, does not have the bipartisan initials of election officials, was returned in an envelope not signed by the voter, or not received by the voter; or (2) the county election board has authorized the use of a replacement ballot to replace a defective ballot supplied to the voter. The voter may request a replacement ballot in those cases by filing this form with the election board. This form may be returned in-person, via mail, or email.

TO THE _____ COUNTY ELECTION BOARD, STATE OF INDIANA:

I, the undersigned voter of this county, state the following:

1. My name (as it appears on my voter registration record) is _____.
2. My residence address is _____, Indiana _____.
(Insert residence address) City ZIP Code
3. My date of birth is _____ (insert date – month, day, year)
4. On or about _____ (insert date – month, day, year), I applied for an absentee ballot for the next primary, general, municipal, or special election to be conducted by the county election board.
5. This absentee ballot (check one of the following):
 - has been destroyed.
 - has been spoiled.
 - has been lost.
 - has not been received by me, even though a reasonable amount of time has passed since I mailed the application for the county to process the application and mail the ballot back to me.
 - has been received by me but does not have the required bipartisan initials of election officials.
 - was returned to the county election board secured in an envelope, but without my signature.
 - was found by the county election board to be defective, and the board ordered that a replacement ballot be furnished to voters, upon request.
 - to vote absentee by mail is being surrendered to an absentee voter board during in-person absentee voting at the office designated by the circuit court clerk or satellite early voting location. I have enclosed the original ballot in the security envelope provided to me for the officials to spoil before issuing a replacement ballot to complete at the clerk's office or early voting location.
6. This paragraph does not apply to a defective ballot. The following facts are known to me about how this ballot was destroyed, spoiled, or lost:

NOTE: In a primary election, the county election board must replace the absentee ballot of the political party (or public question only, if applicable) selected by the voter on their first approved absentee application. (IC 3-11-4-17.7(d); IC 3-11.5-4-2(b))

I request that the county election board provide me a replacement official ballot. The information set forth on my original application for an absentee ballot is still accurate. If it is not, I understand that I must fill out a new application (ABS-IN PERSON, ABS-TRAVELING BOARD, ABS-MAIL, ABS-VPD, or FPCA), as well as this form. I understand that after I receive the replacement ballot, I am required by state law to destroy the original absentee ballot if it comes into my possession.
