Knowing where to go can save you time and money

## Where to go for care

Going to the emergency room (ER) or calling 911 is always your best option for emergencies. If it's not an emergency, you can see your primary care physician (PCP), have a virtual visit with a doctor, or go to a retail health clinic or urgent care center. This chart compares those options. Note that prices will vary by location.

Options for Care	Nurseline 	LiveHealth Online 	Retail Health 	PCP 	Urgent Care Center 	Emergency Room 
Cost	Free	\$55	\$70	\$105	\$147	\$1,636
