SuccessFactors Learning: **Continue Course Button User Guide**

Learners can use the following steps in SuccessFactors Learning to relaunch online content they have already started:

1. **Log in to SuccessFactors** > Navigate to the **Learning** drop down > Select the **Continue Course** button as seen on the **My Learning Assignments** list.

If a learner selects the **Course Title** and the **Continue Course** button from there, **the online content WILL NOT LAUNCH.**
If a learner also tries to launch online content from the SuccessFactors home page > Courses Tile > Selecting Course Title > Select Continue Course button, the online content WILL NOT LAUNCH.
