Applying for the Indiana Education Scholarship Account (INESA)

On behalf of us all at the Treasurer of State's (TOS) Office welcome to the Indiana Education Scholarship Account (INESA). This step-by-step application guide will assist you to complete the INESA application via our website during the open enrollment period, typically March 1 – September 1. Applications are reviewed on a rolling basis.

Once all necessary documents are submitted, allow five (5) to seven (7) business days for the Treasurer of State staff to review your child's application and ensure that all formal requirements are met.

Once approved, you'll receive an email and updated status on your INESA portal. You may also login to the Scholarship Portal to check the status of your application at any time. Please reach out to our office at the Treasurer of State if you have any questions at 317-232-0723 or esa@tos.in.gov.

Creating a Student Profile

In this section, we collect information related to your child. Education Identification (ED-ID) is formerly known as Student Test Number (STN) and date of birth.

Select + New Student to add your student.

New Student

Ed-ID also known as the student test number (STN), the Ed-ID serves as a unique identifier for a child or student throughout their educational experience in Indiana.

Ed-ID or STN is a unique, nine-digit ID for a student. This ID differs from other IDs your student may have such as a lunch number. You may find this number on some documentation from your school, such as an IEP, SP, or Choice SP document.

By completing the Endorsement for Direct Payments, I am making a formal request for the ESA Office to pay my student's tuition and fees for the applying school year. I understand that my student's private school must be an approved ESA school to qualify.

If an ESA scholarship is awarded, the Scholarship Accounts Division will directly pay your student's private school tuition up to, but not exceeding, your state awarded basic tuition.

The direct payment amount may not exceed the student's annual tuition support grant amount. Additional payments from your ESA fund to your private school, would follow the ESA invoice process.

Note: if your student's ESA funds are more than the private school tuition, the ESA Office will place left over monies into the student's ESA fund.

Section 9: Agreement

- Click the link to the **Parent/Guardian/Emancipated Eligible Student Agreement** to open it for review and download. Agreement is available on ESA website Resource page.
- Check the boxes and type your name to sign the agreement with the Treasurer of State for the ESA program.
- Click or press **Submit** to complete the ESA application process.

Agreement

In accordance with the statutory and regulatory guidance of Indiana Education Scholarship Account I affirm that:

☐ I have read, understand, and agree to the **Parent/Guardian/Emancipated Eligible Student Agreement** for the relevant scholarship program for which I am applying.

☐ I understand that a student will take the statewide assessment(s), as applicable based on the student's grade level.

☐ I understand that a student cannot be enrolled in public school and receive a scholarship. Attending public school during this school year will forfeit scholarship participation and will result in a return of any scholarship funding.

☐ I understand that a student enrolled in any course offered by K-12 Digital Learning, a correspondence school, or distance learning program receiving state funding is ineligible to receive Indiana Education Scholarship Account funds. However, I may pay for those courses privately.

☐ I understand that, while a student may be eligible for and apply for more than one scholarship program, a student may not receive funding through more than one scholarship program, including the Choice Scholarship, and the Indiana Education Scholarship Account.

Application Submission and Certification

INSTRUCTIONS

From: Indiana Education Scholarship Account, Scholarship Accounts Division, Office of the Indiana Treasurer of State

Subject: Special education services provider selection for Indiana Education Scholarship Account (INESA) eligible student

Eligibility for the INESA Program is a student must be Indiana resident, K-12 student up to age 22 years old; income at or below the qualification level, and requires a student to have an individualized education program (IEP), service plan (SP), ESA service plan (ESA SP) or choice special education plan (CSEP). Students who have these plans have been identified as eligible for special education and related services and have a current plan in place for these services. As of July 1, 2024, parents of approved INESA students can apply for funding for eligible-age siblings.

In this document:
1. **Public school notice of intent.** (page 3)
   If your student is currently enrolled in a public school. Provide this form to your student(s) public school district to withdraw your student(s) from public school enrollment. This form will confirm "count dates" in Fall and Spring shall be accurate and your student may be funded.
   Public school or charter school students are not eligible for the INESA program.

2. **Special education services process.** (page 4)

3. **Special education services district notification forms.** (pages 6-11)

By completing the Endorsement for Direct Payments, I am making a formal request for the ESA Office to pay my student's tuition and fees for the applying school year. I understand that my student's private school must be an approved ESA school to qualify.

If an ESA scholarship is awarded, the Scholarship Accounts Division will directly pay your student's private school tuition up to, but not exceeding, your state awarded basic tuition.

The direct payment amount may not exceed the student's annual tuition support grant amount. Additional payments from your ESA fund to your private school, would follow the ESA invoice process.

Note: if your student's ESA funds are more than the private school tuition, the ESA Office will place left over monies into the student's ESA fund.

Section 9: Agreement

- Click the link to the **Parent/Guardian/Emancipated Eligible Student Agreement** to open it for review and download. Agreement is available on ESA website Resource page.
- Check the boxes and type your name to sign the agreement with the Treasurer of State for the ESA program.
- Click or press **Submit** to complete the ESA application process.

Agreement

In accordance with the statutory and regulatory guidance of Indiana Education Scholarship Account I affirm that:

☑ I have read, understand, and agree to the **Parent/Guardian/Emancipated Eligible Student Agreement** for the relevant scholarship program for which I am applying.

☑ I understand that a student will take the statewide assessment(s), as applicable based on the student's grade level.

☑ I understand that a student cannot be enrolled in public school and receive a scholarship. Attending public school during this school year will forfeit scholarship participation and will result in a return of any scholarship funding.

☑ I understand that a student enrolled in any course offered by K-12 Digital Learning, a correspondence school, or distance learning program receiving state funding is ineligible to receive Indiana Education Scholarship Account funds. However, I may pay for those courses privately.

☑ I understand that, while a student may be eligible for and apply for more than one scholarship program, a student may not receive funding through more than one scholarship program, including the Choice Scholarship, and the Indiana Education Scholarship Account.

Section 9 of 9

Agreement

In accordance with the statutory and regulatory guidance of Indiana Education Scholarship Account I affirm that:

☑ I have read, understand, and agree to the **Parent/Guardian/Emancipated Eligible Student Agreement** for the relevant scholarship program for which I am applying.

☑ I understand that a student will take the statewide assessment(s), as applicable based on the student's grade level.

☑ I understand that a student cannot be enrolled in public school and receive a scholarship. Attending public school during this school year will forfeit scholarship participation and will result in a return of any scholarship funding.

☑ I understand that a student enrolled in any course offered by K-12 Digital Learning, a correspondence school, or distance learning program receiving state funding is ineligible to receive Indiana Education Scholarship Account funds. However, I may pay for those courses privately.

☑ I understand that, while a student may be eligible for and apply for more than one scholarship program, a student may not receive funding through more than one scholarship program, including the Choice Scholarship, and the Indiana Education Scholarship Account.
