Tire Collection Event:

There is a tire collection event in the works. It will be held on Saturday, September 26th. We will put out specific details in next month's newsletter.

Late Fees:

Recently there seems to be some confusion regarding when late fees are applied. Late fees are added to any outstanding accounts on the first business day after the 20th. Because we have multiple payment methods available, this is still applicable if we are closed on the 20th. All payments in the drop box, any payments in our PO Box, and any credit card payments that have been made online are processed prior to adding any late fees. As always, if you have any questions, please feel free to contact us at the office.

Contacting Us

Please remember, if you need to contact us about your utilities or other office related matters, you really need to reach out to us at the office during office hours. We love our town and the people in it, but our personal phones and/or social media accounts are not the proper channels to address any issues. We try very

hard, but when we are contacted on our off time, there is a good possibility we may forget by the time we are back in the office

Reach Alert:

We use the ReachAlert text system to notify residents of information they may need or want to know. A few of these things would include scheduled outages, road closures, boil orders, meeting and/or office hours changes, updates during unscheduled outages, and more.

If you are not currently receiving the Town's alerts, please contact the office ASAP so we can make sure you stay informed. .

Town Lot Traffic Flow:

The lot around the Town Building has been resurfaced and striped. The direction of travel through the lot is now one-way. The entrances is on Main Street on the North side of the building, and the exit is on West Wall Street behind Jawbone BBQ. Please be sure to pay attention and follow the arrows.
