**Did you know?**

With the cold weather approaching, you can get energy saving tips on the IMPA website [impa.com/consumers](http://impa.com/consumers)

Please be aware that space heaters use more energy than you may think, and they also can pose a fire hazard. Please be safe

if you are going to be using them during the winter months.

As you decorate for the holidays, keep in mind if you decorate a real tree, make sure to keep that tree watered to help avoid fire hazards. Also, be sure you are not over-loading extension chords, as this can also be dangerous( as can be seen in *A Christmas Story*)

**Pet and Golf Cart Tags:**

We will let everyone know when the pet tags and golf cart tags come in for 2025.

We understand that everyone needs a hand sometimes. If you are in a situation where you need assistance with your utilities, please do not wait until the last minute to seek that assistance. If you need pointed in the right direction, we do maintain a list of places that typically provide assistance when they are able.

A good place to start is by dialing 211. They can help you look find assistance with food, health care, child care, housing, and more.
