Its getting colder out there, so thus approaches the expensive time of year we all dread....yup...furnace season. For tips to help cut costs this winter, visit IMPA's website:

www.impa.com/consumers

There is an energy calculator that you fill in with information for anything in your home that uses electricity and it will tell you how much energy you should be using. You can do it room by room, or the entire house.

Space heaters use more energy than you may think and can be a fire hazard. Please be safe as we continue into winter.

Advance Food Distribution:

The drive thru food pantry located at the Advance Volunteer Fire Dept - 106 E Wall St is held the 3rd Tuesday of each month from 4PM to 5PM. This is available for all Boone County residents. When you arrive please be aware of your surroundings and watch for instructions. Please do not block streets and/or intersections. Be safe and courteous.

We have a calendar at the Town Hall that shows the schedule of all the food pantries available in Boone County. There is also a link to the complete list of resources available to Boone County Residents. It is located at www.townofadvance.com on the community resources page.
