Reach Alert:

We cannot stress enough how imperative it is for every household to create a Reach Alert account. It is the quickest, easiest, and most efficient way to keep everyone up to date with important information.

We can also use it in place of mailing late notices and it would eliminate the need for placing disconnect notices on doors.

If you have not signed up, please go to reachalert.com, call (877)307-9313, or come by the office and we can help you create an account. The entire process takes less than 5 minutes. You can register up to 4 phone numbers, and 4 emails per address.

Solar Park:

The Solar Park is very near completion. As soon as the ribbon cutting and dedication are tentatively scheduled for late in September. We will put out notices as soon as a firm date is set.

UPDATE: Bob Ruble is almost through his treatments and will then find out if they will be doing chemotherapy. He really appreciates the mail and prayers he has received. If you would like to send a card or note the address is PO Box 304 Bainbridge, IN 46105

St Rd 75 Project:

We made it through our first boil alert. A BIG thank you to Brad and Carla for delivering notices to homes. It was extremely helpful, and very much appreciated.

Traffic in Town is to be restricted to residents only, through traffic is prohibited.

We have had a few issues with children playing in or very near

active construction sites and almost getting hit by construction equipment. Luckily the drivers of the equipment were able to stop in time. Please help make sure the kids are all aware of the dangers of playing in such places.

If you have issues or concerns, please contact INDOT at their toll free number (877-307-9313)
