The calendar on the Town's website shows meeting dates, billing dates, late fee dates, shut off dates, and other important dates. You can also find meeting minutes, past newsletters, a link to the Town Code, and a resource page with links to helpful sites and organizations.

WARNING!!!

There is a bill payment service called DOXO that has a much less than reliable reputation with utility offices in other cities and towns around Indiana. They have told us that DOXO does not always forward the payments to the utility in a timely manner; sometimes it takes months, and in a few cases, they were never sent the payment at all. Many customers have had their services disconnected while under the impression that they had paid their bill. We would strongly recommend avoiding this company.
