## Town Business

**Local Business Spotlight:**

Advance Barber Shop has been in business for 104 years. Amanda Mitchell Lyles purchased the shop from Ron Rolston earlier this year. Four generations of her family have gotten hair cuts at the Advance Barber Shop, and Amanda is happy to be able to help the tradition continue. The shop has recently been renovated and looks wonderful!

Amanda has been doing hair for 14 years after graduating from Aveda Beauty School. She has recently welcomed stylist Shane Somers, and Clint Martin (formerly of Klemme's) to the team.

Masks and gloves are available at all meetings for those who wish to attend. Social distancing will be observed. Notices will be made electronically on the Chatters, website and or REACHALERT if any changes are made to the meeting schedule; or additional meeting dates are added.

**Utility Payments:**

If you write a check for utility payment, please verify all information on the check is filled out correctly. We have had several payments lately where the written amount does not match the dollar amount. The bank requires that we enter the check for the amount that is written out in words.

We are unable to accept post-dated checks. We apply payments according to the date they are removed from drop box, received in the US Mail, or handed to us through the lobby window; not the date written on the check or the date postmarked.
