## Town Business

**Town Council Meetings:**

**Location:**

**Advance Fire Station**

**Time: 7:00 pm**

- October 15 (Tuesday-Budget Adoption)
- November 12 (Tuesday)
- December 9

If you are unable to attend the Town Council Meetings, all meeting minutes can be found online at

[www.townofadvance.com](http://www.townofadvance.com)

Notices will be made electronically on the Chatters, website and/or REACHALERT, and in the Lebanon Reporter if any changes are made to the meeting schedule; or additional meeting dates are added.

**Check Payments:**

When you are writing a check to pay your utility bill, please verify all of the information provided is correct. The amount written in numbers, and the amount written in words must match. If they

do not match the bank will take the check for the amount written in words.

**Septic Tanks:**

Please do not pour large amounts of grease or oil down your drains. When we dump the contents of your septic tanks, we will get charged around \$700 extra per tank due to the high grease/oil content. In situations such as this we will have little choice but to bill the resident for the extra cost.

**Halloween:**

The Park is holding a Halloween event on Friday, October 25th beginning at 5PM. Trick or Treat and a movie. You can get fliers at the Town Hall

There will also be trick-or-treating in Town on October 31st from 6p-8p. Turn your porch light on if you will be passing out candy.

**Recycling Bin:**

We are still seeing bags and boxes stacked up against the recycling receptacle. If you notice someone doing this, please report it.

The recycling bin at the corner of S Main/E Wall is currently provided at no cost to the Town or its residents. Please make sure you are following the guidelines that are posted on the bin.

There is to be NO residential trash (food) placed in the bin. The only bagged item that should be placed in the bin is shredded paper.

Placing your household trash in or next to the bin is considered dumping and could very well cause the county solid waste division to remove the bin.

For information on where you can take items that should not be placed in the recycle bin, visit [boonecountysolidwaste.com](http://boonecountysolidwaste.com) They have a list of places you can take things like televisions, tires, chemical waste, and other hard to dispose of items year round.

## Clerk-Treasurer's Desk

**Upcoming Closings:**

The office will be closed on the following days:

**October 14** - Columbus Day/Indigenous Peoples Day

**November 5** - Election Day

**November 11** - Veterans' Day

**November 28/29** - Thanksgiving

**Did you know?**

With the cold weather approaching, you can get energy saving tips on the IMPA website [impa.com/consumers](http://impa.com/consumers)

**Hydrants:**

We will be doing the fall flushing of the fire hydrants sometime in October. We will put out notifications when this will be happening.

You may experience a slight drop in water pressure while this is happening.

After they have been flushed, if you have an outside faucet, you should run it for a minute or two in case any sediment is stirred up. This will prevent any sediment from getting caught in the screens of your inside faucets.

**CHANGE YOUR CLOCK**

**CHANGE YOUR BATTERY**

**Advance Volunteer Fire Dept**

With Daylight Savings Time ending on November 3rd, it is a good time to remember to change the batteries in your smoke detectors.
