

WHAT CAN CULVER RESIDENTS DO TO HELP MAKE CULVER STELLAR?

- **Volunteer.** Attend one of the regularly scheduled Stellar Committee meetings on the 1st and 3rd Tuesdays of the month at 5:30 p.m. at Town Hall, 200 E Washington Street. We have plenty of fun, small, community building projects that could always use an extra set of hands.

- ♦ **Engage.** Contact steering committee members with thoughts, concerns, and ideas on the projects. Follow our work on Facebook, Twitter, and local news sources.
- **Advocate** for the program in your workplace or charitable organization. We are also looking for financial partners and in-kind contributors to help us make these projects happen.

WHAT IS THE "STELLAR COMMUNITIES" DESIGNATION PROGRAM?

The Stellar Communities Designation Program is a multi-agency partnership designed to recognize Indiana's smaller communities that have identified comprehensive community and economic development projects and activities as well as next steps and key partnerships.
