

Edgewood Golf and Event Center Survey

Wyatt Brewster, Vienne Yeager, Amelia Roser

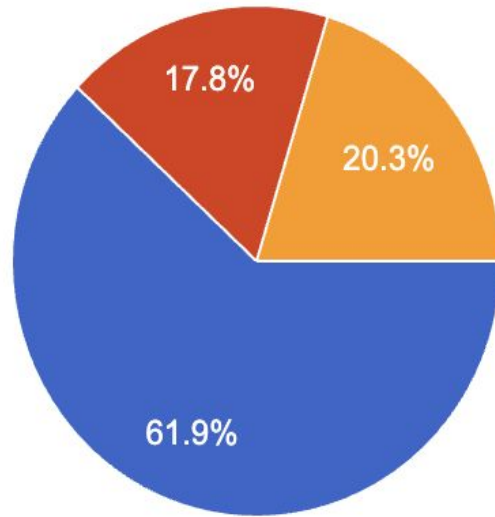

Which age group describes you?

The number of people in your household

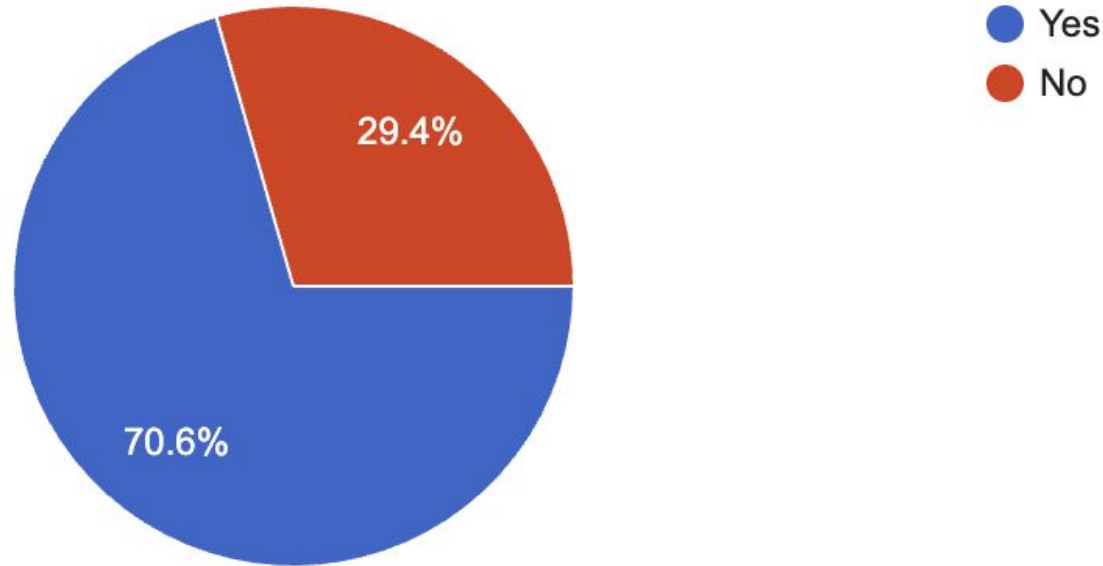

How would you proceed given the pool can't be repaired?

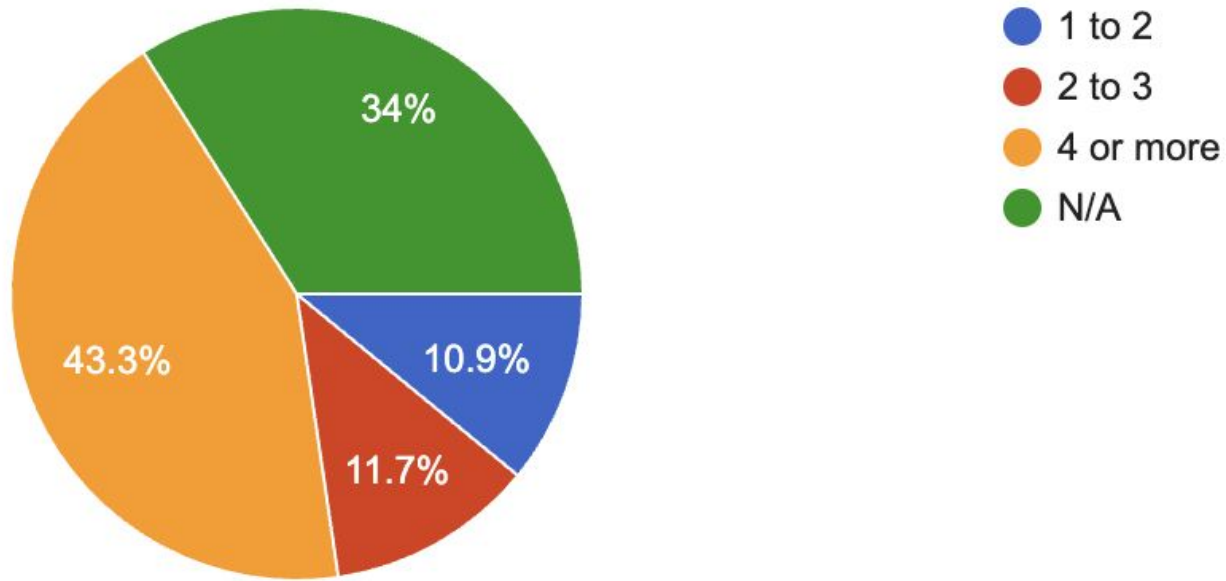

- Replace the pool with a new, upgraded pool
- Replace the pool with a Splash Pad and event space
- Do not replace the pool, fill it in

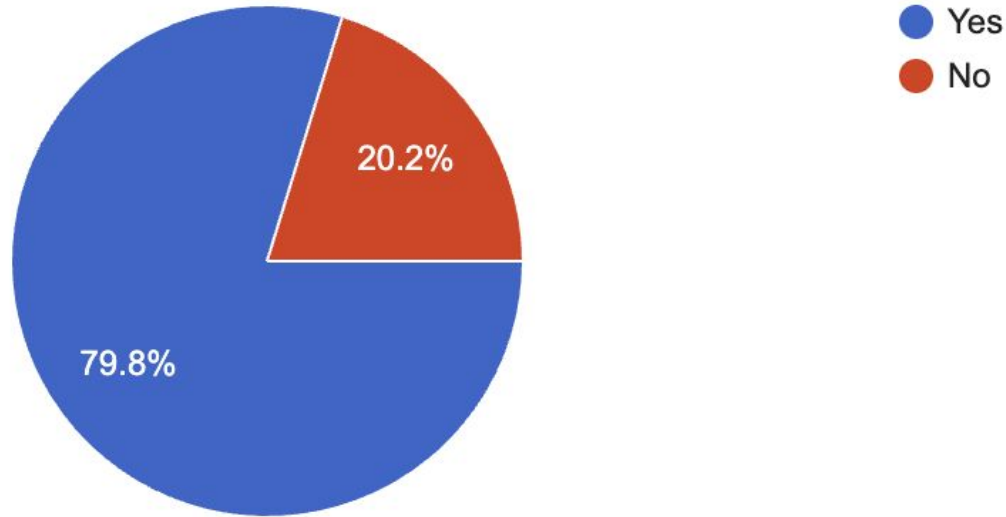

Have you used the pool by buying a day/season pass at least once over the past 3 years?

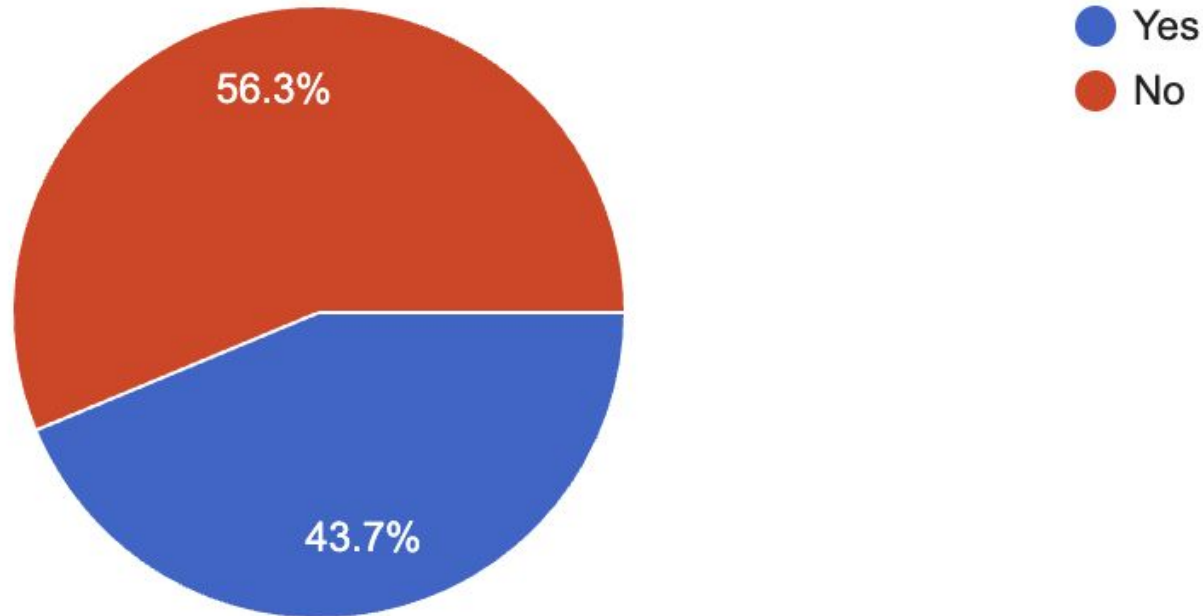

If you have used the pool on a day pass, how many days per pool season did you use it on average?

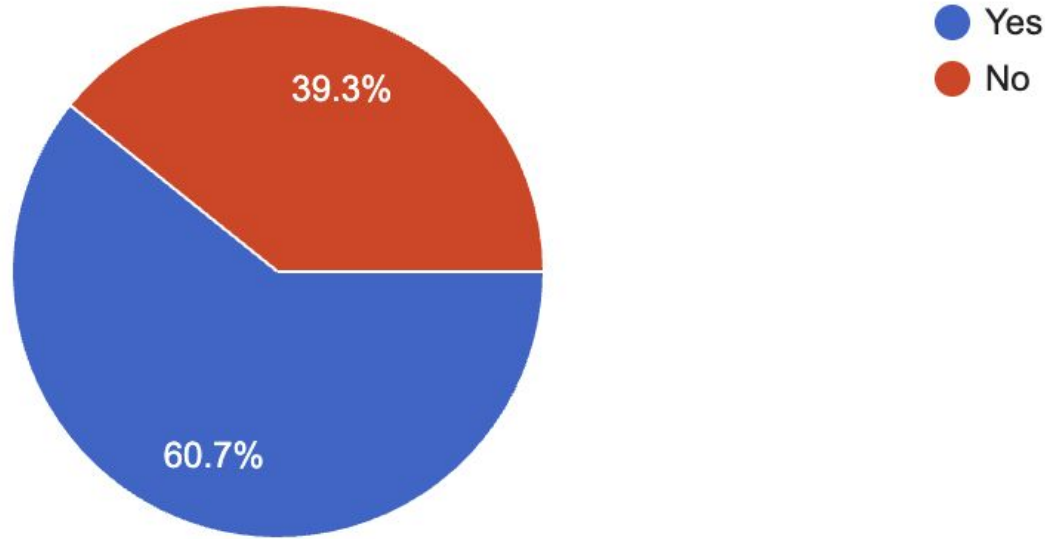

If a new pool or Splash Pad were to be built, would you consider buying a season pass to help support this community project?

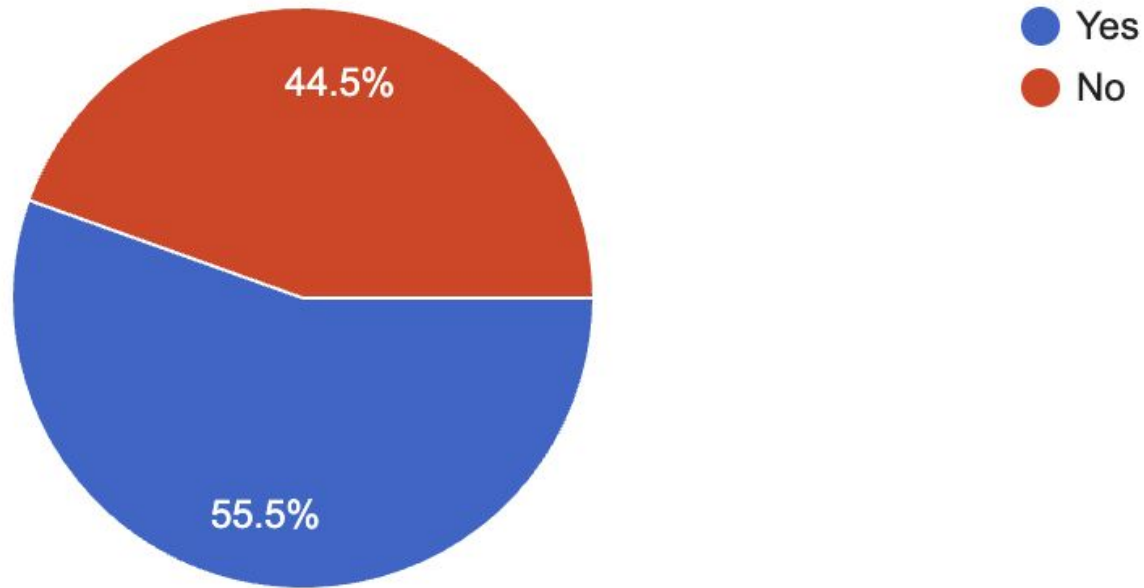

If a new pool or Splash Pad were to be built, would you consider buying a season pass that includes golf?

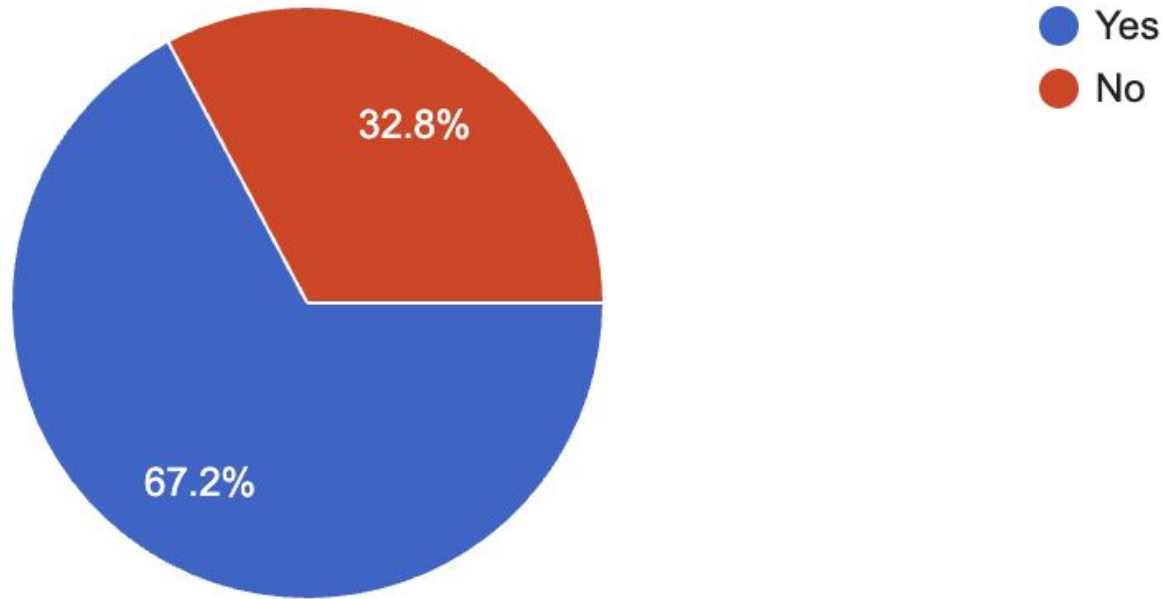

Would you be interested in volunteering time to imagine ways to raise money for the project and participate in those ways?

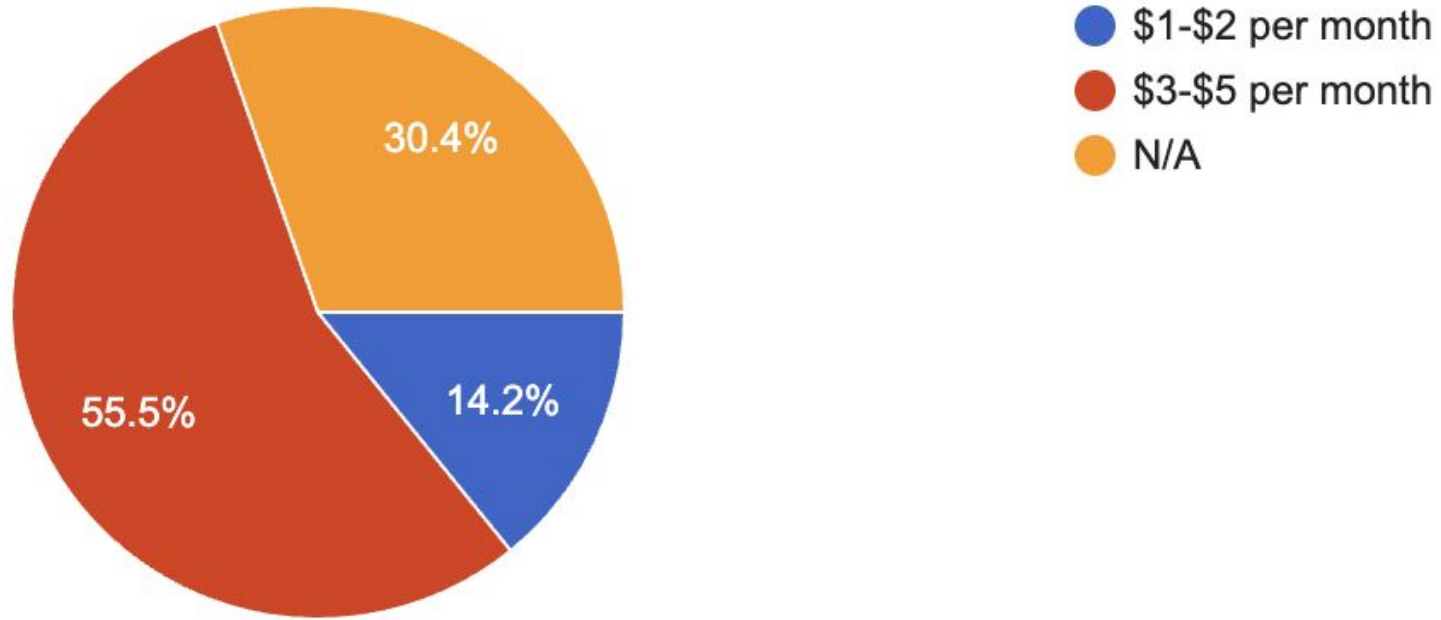

If a new pool or Splash Pad were to be built, would you be interested in making a one-time monetary gift?

Would you support combining a small monetary gift each month with your water and sewage bill?

If yes, how much would you consider to be a fair amount?

Conclusion and Questions
