ACKNOWLEDGMENT

- My request identifies the records sought with reasonable particularity.
- The Town may request clarification if a request is overbroad, vague, or does not identify the records sought with sufficient particularity to allow the Town to locate and produce responsive records.
- The Town provides access to existing public records as provided by Indiana law.
- The Town is not required to create a new record, compile information into a format that does not already exist, perform research, programming, or manipulate electronic data.
- Responsive records will generally be produced in the format maintained or another reasonably available format.
- Records may be redacted or withheld as authorized by law.
- Applicable fees may apply as permitted by law and the Town of Porter's adopted fee schedule. You will be notified in advance if fees are applicable.
- Submission does not guarantee responsive records exist or are disclosable.
