Building Commissioner/Director of Development

Barry stated in January we signed a Contract with Great Lakes Engineering, and they were bought out by Schneider Engineering, so we need to sign another contract for Schnieder Geomatics

Bill Lopez made a motion to approve the Schnieder contract, with Peter Sawochka-Dalton making the second.

Motion carried 5-0.

Barry mentioned we are still waiting for the environmental on Mnoke Prairie Trail.

Barry states the Governor removed Next Level Trail funding; the word trail does not appear in budget. There is \$569,000 additional money to use from DK Trail that was not used. He spoke with RDA, and we can use that on anything that is part of DK Trail. The DK trail was originally to go from Beach to Kouts. What we did was rebrand route following Calumet trail to Brickyard Trail to DK trail. There is no way of finding anything saying what trail it is. Barry mentions that the trail committee (Bugajski, Albrecht-Mallinger, Barry) will discuss ideas and get a consensus and work on signage and upgrades for trail. The RDA wants us to spend the money, there is no timeline. He will put something together for that for next meeting. Hultman mentions we keep \$100,000 aside for future funding of Waverly & 20 trail. Lopez asked if it could be used to purchase property at Waverly & 20, Barry states yes.

All funds donated for Town of Porter stay in the Town of Porter.

Bill Lopez is the Town of Porter representative to the DEDC. On approval the RDC will submit funds to the DEDC, and the DEDC will write checks to applicants. She is asking to move forward with moving forward tonight. Lopez stated this might jump start the program.

Jamie Hogan made a motion to approve moving forward for the 501c3 with the DEDC for the façade grant, with Russ Erwin making the second.

Hultman asks if we want to continue to pay for NWI Forum membership or investing in forum. Barry mentions it is for development for Northwest Indiana we worked with them on the Readi Grant. Maura Mundell mentions the DEDC did do their renewal.

Lopez states we could get consensus to table it until month.
