Reports by Michael Barry-Updates-N Bailey project is going well. They spent several hours locating the existing 45' of force main, actual length requiring relocation is closer to 85'. Adjusted a couple of structures so they are in the ground more.

Carlson Corners-They have all the piping and structures are installed up to Mineral Springs turn. Once they start final grading and restoration they can open the road more. There is a field change per Gough's request to eliminate an extra inlet, cut down a manhole and made it an inlet. He is making daily inspections.
Reynolds made a motion to approve Change Order #1 for Carlson Corners for \$1664.00, Lopez made the second. Motion passed 2-0.

Small projects- All four projects are completed and inspected. 20th St last project starting next week. After completing the inlet project by the Police station, we discovered that the void under the sidewalk extended further under two more sidewalk panels. He has two quotes to repair this, low quote is Gough at \$1150.

Reynolds made a motion to approve quote for sidewalk repair for Gough, Inc of \$1150, Lopez made the second. Motion passed 2-0.

Marquette ROW Survey- Great Lakes Engineering has field surveyed, will draft a plan and stake ROW in the next week or two. Then he can send letters to the property owners encroaching in the ROW.

Barry wants to thank Public Works they have done a lot of extra work and saved us money.
