**SECTION II:**

The Town Council Members shall be paid at the end of each quarter except for the last quarter. Payment for the last quarter shall be made the first payroll in December.

**SECTION III:**

The Water and Wastewater Operators shall receive a one-time payment in the amount of \$500.00 to be added to their salary after successfully completing water and/or wastewater certification. The additional \$500.00 will be paid the first pay period in December.

**SECTION IV:**

Full time employees and the Clerk-Treasurer shall be eligible for health insurance provided by the Town.

**SECTION V:**

Except as noted, said employees and elected positions shall be paid on a weekly basis. Each pay period shall end on Thursday. Paychecks shall be issued on Friday. No exceptions unless holiday falls on Friday.

**SECTION VI:**

This Ordinance shall be effective January 1, 2022 through December 31, 2022.

**SECTION VII:**

Wastewater Operator shall receive an additional \$171.36 each week, to his regular weekly salary for all plant operations and testing, 7 days a week at the Redkey Water Plant. The \$171.36 added to his weekly pay will continue until further notice.

1. The first step in the process of the  
analysis of the data is the identification of the  
variables and the relationships between them.

2. The second step is the collection of the data  
from the various sources.

3. The third step is the processing of the data  
into a form suitable for analysis. This involves  
cleaning the data and removing any outliers.

4. The fourth step is the analysis of the data  
using statistical methods. This involves calculating  
the mean, standard deviation, and other statistical  
measures.

5. The fifth step is the interpretation of the  
results of the analysis. This involves drawing  
conclusions from the data and presenting the  
results in a clear and concise manner.

6. The sixth step is the reporting of the  
results of the analysis. This involves writing a  
report that summarizes the findings of the study.

7. The seventh step is the evaluation of the  
results of the analysis. This involves comparing  
the results with the expected outcomes and  
drawing conclusions.

8. The eighth step is the conclusion of the  
study. This involves summarizing the findings  
of the study and presenting the results in a  
clear and concise manner.

9. The ninth step is the presentation of the  
results of the analysis. This involves presenting  
the results in a clear and concise manner.

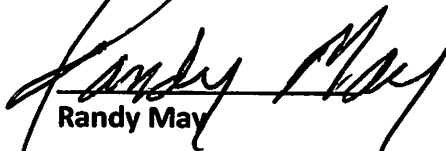

10. The tenth step is the conclusion of the  
study. This involves summarizing the findings  
of the study and presenting the results in a  
clear and concise manner.

Adopted by the Town Council of the Town of Redkey on the 30<sup>th</sup> day of December, 2021.
