Member

*The meeting was called to order at 6:13pm.*

All members are present with the exception of Adrianna. She is out sick.

- Katrina made the motion to approve the minutes from the January meeting. Sue second the motion. Minutes were approved.
- Update on the new playground equipment. Tonn and Blank will perform the demolition of the old playground when the weather is better in the coming months. KidStuff will deliver and install the new playground in mid-April. We plan to do a ribbon cutting ceremony tentatively in June. We would like to have plaques made and purchase gifts for our sponsors.
- We had a give back at Five Guys Burgers on February 19<sup>th</sup>. Katie will be contacting their corporate office regarding the amount we are to receive. The dollar amount (\$58.43) seems very small. We had several family members and friends that participated in the giveback. Just from them alone, we should have received a bigger check.
- We have started to prepare for the fall festival. We will start looking for sponsors. We have 15 vendors that have already submitted their application to participate in the festival.
- Katrina is getting quotes for port-a-pots for the parks. The quote was from April 1<sup>st</sup> to November 1<sup>st</sup>. They will service once a week. It will cost \$1610.<sup>total</sup>
- Sue is still researching Friends of the Park. She will be contacting the Chamber of Commerce, Friends of the Dunes, and Friends of the Library to get more information and advice.
- We have scheduled all of our meetings for the rest of 2026. We will meet April 16<sup>th</sup>, May 7<sup>th</sup>, July 23<sup>rd</sup>, August 13<sup>th</sup>, September 10<sup>th</sup>, October 18<sup>th</sup>, and December 3<sup>rd</sup>.

*Meeting adjourned at 7:07*
