

FINALLY

Styrofoam Recycling

We are thrilled to announce that we are finally accepting styrofoam year round through our new dropoff program. All styrofoam needs to be clean and bagged prior to placing in to the styrofoam recycling trailer located at our compost site, 724 Zigler Road, La Porte. The location is open regular compost hours which are as follows, Monday-Friday 8am-4pm. If you have any questions or need additional information please call our office at 219-326-0014. Please no packing/shipping styrofoam peanuts or pellets.
