Date: November 18, 2025

Location: Town Hall

Time: 9:00 a.m.

103 W. Myers St.

Wolcottville, IN 46795

Call Meeting to Order:

-Council President Dean Domer called the Special Meeting to order.

Meeting with Financial Services Group:

-Financial Services Group presented the rate studies on water and wastewater utilities that they did for the Town of Wolcottville. They discussed how to get the rates where they need to be. The Council Members decided to let the Financial Services Group redraft the rate studies. The new rates suggest starting with a phased approach to getting the Town's utility rates up to date. They will then work with the office of Beers Maller's on the ordinance that will later be voted on in a public meeting.

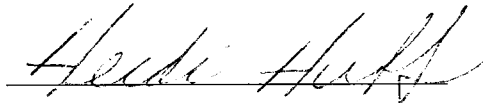

Other Business:

-Heidi Huff reported to the Council Members that they need to decide on whether they want to renew a contract with the current insurance provider for full-time employees or look for different providers. After looking at the quotes presented from the current provider PHP, Anthem Insurance and United Health Care, the Council Members decided to stay with PHP. PHP will provide the Town's employees with the best rates and benefits. Best Life Insurance for dental, vision and life will have a zero percent increase for 2026. Steven Cords motioned to approve PHP's Insurance and Best Life Insurance contracts for employees for the year 2026. Jeff Sorg seconded. All in favor, motion carried.

-Raises for employees were presented to the Town Council. An agreement was made to allow the office of Beers Maller's to work with the Clerk-Treasurer on the Salary Ordinance. This will be approved at an upcoming Council meeting.

Meeting adjourned by Council President Dean Domer at 10:10 a.m.
