

# Annual Financial Report

Indiana State Board of Accounts

2024

CENTER TOWNSHIP

Marion County

Not Submitted

Per [IC 5-11-1-4](#) every municipality and local government is required to provide electronically and in a manner prescribed by the state examiner, financial reports for the fiscal year not later than sixty days after the close of the fiscal year.

Completion and submission of the Gateway *Annual Financial Report* (AFR) will fulfill this requirement. This document comprises all of the report outputs generated by Gateway, based on the information entered by the government unit and submitted by the government official as stipulated in state law.

Some information that rolled over from the previous year, such as grants, will print on this report until the AFR is submitted even if they do not apply to the current year. After the AFR is submitted, this information will not be on the report.

For each transfer that did not occur on a routine basis or was inconsistent with the activities of the fund making the transfer that is identified in the above schedule, provide a general description of the principal purpose of the interfund transfer. One general description can be provided even if multiple funds are impacted or more than one transfer occurred. (An example of a non-routine transfer: a transfer to a wastewater enterprise fund for the local match of a federal pollution control grant, an example of a transfer that is an inconsistent activity of the fund: a transfer from a capital projects fund to the general fund.)

The State Board of Accounts is of the audit position, with the concurrence of the Attorney for the Township Trustees Association, the following procedures should be followed for a consistent compilation and completion of Township Assistance Form TA-7.

When completing the form please keep in mind reconciliation or cross-checking cannot, necessarily, be achieved; i.e., Total Value of Benefits Provided TOWNSHIP ASSISTANCE Recipients (Item 3), will not necessarily be the summation of Total Value of Benefits Provided for Utilities (Item 6 (i)); Total Value of Benefits Provided for Housing Assistance (Item 8 (i)); Total Value of Food Assistance Provided (Item 10 (i)); and, Total Value of Health Care Provided (Item 12 (i)); because IC 12-20-28-3 does not specifically require separate reporting of certain Township Assistance provided by townships; i.e., clothing, household supplies, transportation, etc.
