

Our Mission...

Shoes for Souls pantry seeks to share the love of Jesus by meeting a visible need in our community: giving shoes to children and teens in need. We offer a friendly environment where parents and guardians can come select a pair of new or like new shoes for their children and teens.

By providing shoes for their soles, we can share the love of Jesus for their eternal souls in a real and tangible way!

We are committed to providing a free pair of shoes to children and teens in need.

Hours of Operation:
