Review of Quotes for New Pickup for the Fire Department

Quotes were received from Law Chevrolet, Romain GMC, and D Patrick Ford. These quotes are for a one-ton pickup to replace the 1996 rescue truck housed at the Richland Station. It will be used primarily for water rescue, to pull the hovercraft, and for rope rescue and medical equipment.

The Fire Department recommendation is the Chevrolet from Law Chevrolet based on truck specifications and past service provided.

Motion to Purchase the Chevrolet from Law Chevrolet: Daryl Woolard

Motion Second: Lisa Hemmer

Vote: 2 – 0 Rick Garrett abstained from voting due to a conflict of interest.

The summary of quotes has been made a part of the minutes beginning on page 149. Detailed quotes are available for review at the Trustee's office.

Review of Quotes for Truck Bed

Iconic X from Cambridge, Ontario, Canada, is the only company that has this bed. The Fire Department talked to several other companies, and they found no other product that compared to this.

The bed will be delivered where the Fire Department specifies for installation locally.

Glendale Cemetery Property

Survey has been completed for an equal exchange of property between Steve Lindauer where the cemetery actually sits and the portion that the Township now owns.

This survey is going to be revised to give the Township the actual area of the cemetery so that this is not encroaching on the area that Steve Lindauer is currently farming.

Motion to exchange the properties with deeds being prepared for both: Daryl Woolard

Motion Second: Rick Garrett

Vote: 3 – 0

Informational Items

Sandale Cemetery Update – Mr. Goldman's attorney asked a couple of weeks ago if the Township was still interested in acquiring the property. He was told yes, but that Mr. Goldman will be responsible for all expenses in the transfer of the property. We have received no response after that.
