

**MILL TOWNSHIP  
ADVISORY BOARD MEETING**

**Individuals Present:** Trustee Dennis Banks,  
President Charlie Armes,  
Secretary Dan Patton,  
Board member Kirk McCollum  
Fire Chief Brad Dailey

**Meeting began at 5:00pm**

Minutes of February meeting were presented and accepted.

Financial report, current bank account information  
was presented.

Dennis requested that we close out the savings account and keep  
everything in the checking account. We haven't been putting  
anything into the savings and would be easier with just one  
account. All were in agreement.

**New Business**

Jordan Weaver and Lori Smith resigned from the OMYS board.  
We appointed Brooke Richardson and Stephanie Baledge to  
replace them. We did this in a township email vote so they could  
join the board immediately.

The renovation on the fire station building is done. Work is being  
done on the outside now that warmer weather is here. A pavilion  
was purchased and will be placed on a stoned area when that is  
finished. They are adding a stone driveway to the west side of the  
building to have access to the back of the property. An 8ft  
addition to the west of the parking lot up front is going to be  
done along with resealing and lines of the rest of the parking lot.

The Greater Grant County Chamber is hosting a ribbon cutting  
ceremony for the addition on Tuesday April 22<sup>nd</sup> from 11:30 –  
1:30 at the station.

**April 10, 2025**

Brad gave an update on the fire department. They have been averaging over 40 runs a month. With the extra room and better facility he has been able to schedule some training and education classes for the fire fighters. They are going to have a veterans crisis meeting, extrication class and a radio training class.

Next meeting July 10<sup>th</sup>, at 5:00 pm.

**Meeting adjourned 5:32 pm**
