**Meeting began at 5:00pm**

Minutes of October 9<sup>th</sup> meeting were presented and accepted.

Financial report, current bank account information  
was presented.

**New Business**

The 2026 board meeting schedule was presented. It was accepted  
for the year.

Dennis and Brad had the annual meeting with Capstone  
insurance for the property and vehicles. Some premiums increased  
slightly. The truck values were kept the same but the property value was  
increased due to the expansion and renovation. They were also able to  
add an accidental death and dismemberment policy for the fire fighters,  
trustee, board members and employees. It will be 24 hr coverage.

The first payment on the Improvement bonds will be made  
before the end of the year along with the Net results renewal contract.

All of the runs for fire fighters have been totaled and have all  
been paid for the year. They had a total of 405 runs which was an  
increase from past years. There were 160 fire runs. They had the end of  
the year party and Austin Case was awarded the fire fighter of the year.

The new compressor for breathable air to fill tanks is installed  
and has been in use. This was purchased by a Boren Grant that the  
department received.

January 8<sup>th</sup> a grant from Fire House Subs will open and the  
department is planning to apply for money to purchase more fire fighter  
gear.

**December 11, 2025**

The Fire Truck involved in the accident after the 9-11 ceremony has been completely fixed and is ready for service. The whole process from this is completed and done.
