RE: 2026 Annual Renewal Price Increase

To: Bill and Maria Killion, Veale Township Trustee

Dear Bill and Maria Killion,

We are writing to you today to let you know that AS2 Inc. will be initiating an annual renewal price increase beginning with your 2026 annual renewal fee for BookWiz. This price increase will bring you in line with our current pricing, which continues to be priced well under our current competition.

Your new annual renewal price for 2026 will be \$899.00

AS2 has continued to grow and increase our client base. With that we have also made significant improvements to BookWiz. This is our first time increasing our prices for our software. As our company grows and evolves, we can no longer provide the same level of service and software that you expect without this price increase.

We appreciate and value your business and understand that this price increase may impact your budget restraints. Please reach out to me with any questions or concerns.

We look forward to continuing to serve you.

Sincerely,
