

Local Government Initiative

Join the nearly two dozen local government bodies using the IN.gov website services. Award-winning designs, a proven and accessible user experience, self-managed content and more!

YOUR CHOICE OF AN AWARD-WINNING WEBSITE TEMPLATE

Have your choice between multiple templates that allow for customization, all while being 508-compliant and fully accessible.

SELF-MANAGEMENT WITH SUPPORT AND TRAINING

You have full control of your site content and how it is presented to your users through an easy-to-use Content Management System that does not require any coding experience.

ACCESS TO ANALYTICS AND OTHER 3RD PARTY TOOLS

Additional access to supplemental tools will allow you to gain more understanding of your website and how your visitors are using it.

SECURE HOSTING AND HANDS-OFF MAINTENANCE

No need to worry about any server, database, or technical issue with your website again, as IN.gov will take care of everything behind the scenes.

PAYMENT PROCESSING OPTIONS FOR IN-PERSON OR ONLINE

IN.gov offers multiple ways for you to collect payments from your local businesses and citizens through in-person or online methods, at little or no cost to the agency.

Reach out today to schedule a meeting and learn more about what IN.gov can do for your local government.

25+ YEARS EXPERIENCE
225+ STATE WEBSITES
125+ ONLINE SERVICES
100+ AWARDS

The IN.gov Program, a partnership between the State of Indiana and NIC Indiana, is responsible for the design, development, and maintenance of more than 225 websites and 125 online services. Providing solutions for Indiana state and local government partners for more than 25 years, the IN.gov Program continues to bring digital innovations to the state, receiving more than 100 awards in the past 4 years, which includes winning 1st place in the 2019 Overall Digital Government Experience Awards from the Center for Digital Government.

Local Government Initiative

Pick the plan that is right for your organization and community. IN.gov offers support and training that is unlike any other website provider. Whether you are a small town, city department or an entire county, IN.gov can help.
