Bauer Family Resources operates the community-based Head Start programs in Carroll, Clinton, Tippecanoe and White Counties. The program promotes school readiness by enhancing the social, cognitive, language and physical development of children ages 6 weeks to age 5 and pregnant women. This is accomplished through the provision of educational, health, nutritional, social and other services to the enrolled children and families.

Tippecanoe families of children age 6 weeks to 35 months may qualify for either the Home-based program or the full-day Center-based program. In all 4 counties, 3-year olds are placed in our full-day preschool classrooms and 4-year old's heading to Kindergarten in the fall are placed in our full-day pre-kindergarten classroom.

The Pregnant Women's Program provides a foundation for pregnancy care, labor, & parenting. The program serves pregnant women and fathers or support people during the duration of the pregnancy and up to 6 weeks after the birth of the child. In addition, the program offers participants weekly education class and support, a referral program for men to the fatherhood program, monthly home visits to set goals and discuss intimate issues for mom, and priority for the child into childcare with Early Head Start. All our early education programs engage parents in their child's learning and assist the parents in attaining their educational, literacy and employment goals.

Description: Tippecanoe County is divided into 13 townships. A Township Trustee is an elected official who is responsible for township assistance for established residents of their township. This may include help with food, shelter, utilities (not including back rent, deposits, reconnect fees, or penalties), clothing, prescription medicine, and funeral expenses. Income guidelines are based on 100% or more of the current Federal Poverty guidelines; some exceptions may apply. Indiana Code states that applicants must utilize all federal resources (Area IV, FSSA, HUD, etc.) before utilizing the Township Trustee.

To apply for assistance, call the appropriate Township Trustee. Applicants may be required to show documentation of income, bills, etc. If denied services, the resident applicant should receive a form TA-1A stating the reason for denial.
