

Nicole Norvell

Nicole Norvell, LCSW, is the Director of the Office of Early Childhood and Out of School Learning in Indiana. In her current capacity, Nicole is responsible for the administration of the Child Care Development Fund as well as the State of Indiana's Pre-k program. As a long time public servant, Nicole has previously lead the Division of Disability and Rehabilitative Services which supports individuals with disabilities from birth through adulthood. In addition, Nicole functioned as the State Director of Special Education, within the Indiana Department of Education, where she focused on the inclusion of students with disabilities in order to ensure they had equal access to superior educational outcomes. Nicole has spent time completing clinical practice with youth and families and has worked within non-profit agencies across Indiana. Nicole earned her Master's in Social Work from Indiana University Northwest and has held her clinical license since 2011.
