Rick, based on Commission Staff responses, I've confirmed the staffing necessary for covering the two dates you've noted below.

With the necessary coverage in place, please consider this email response as the Commission's approval of your request to make up lost race days on Wednesday, November 1st and Wednesday, November 8th. Should you be unable to generate enough horses to put on a respectable race card as you've noted below, please let me know so we can communicate with our staff accordingly.

Thank you.

Rick, thank you for your note below. Commission Staff will review your request and circle back to you. I'm hopeful you'll have the level of horses needed to run a very respectable race card.

I should be able to get back with you early next week on this.

Sincerely,

Deena Pitman

Hello Deena,

On behalf of the Indiana Standardbred Association and Harrah's Hoosier Park, I would like to submit to you for approval two make-up race days to be added to the Harrah's Hoosier Park 2023 Racing Calendar.

Those dates would be:

1. Wednesday, November 1
2. Wednesday, November 8

The only caveat to this request is that entries on both of these days be of a sufficient number to put on a respectable race card of 12 races or more.

We very much appreciate any consideration you might give this request.

Respectfully,

Rick Moore
