## IHCP updates FQHC and RHC encounter codes

Effective July 30, 2020, the Indiana Health Coverage Programs (IHCP) will include the Current Procedural Terminology (CPT<sup>®1</sup>) and Healthcare Common Procedure Coding System (HCPCS) codes in Table 1 as valid federally qualified health center (FQHC) and rural health clinic (RHC) encounter codes. This update applies retroactively to claims with dates of service (DOS) on or after **January 1, 2020**.

Beginning July 30, 2020, FQHC and RHC providers may submit claims for these codes with DOS on or after January 1, 2020. Claims for these codes with DOS on or after January 1, 2020, that previously denied may be resubmitted. Claims submitted beyond the original 180-day filing limit must include a copy of this banner page as an attachment and must be filed within 180 days of the publication date.

The IHCP will remove the nationally deleted codes in Table 2 from the list of valid FQHC and RHC encounter codes. This change applies retroactively to claims with DOS after **December 31, 2019**. This change will have no impact on previously adjudicated claims.

The list of valid FQHC and RHC encounter codes is reviewed periodically to account for new and end-dated CPT and HCPCS codes, and is available on the [Myers and Stauffer website](https://www.mslc.com/Indiana) at <https://www.mslc.com/Indiana>. If you have questions, contact Berry Bingaman, Myers and Stauffer LC, at (317) 846-9521.
