Southeastrans officially changes its name to Verida, Inc.

Effective Jan. 1, 2023, Southeastrans will officially change its name to Verida, Inc. The rebrand to Verida is being made to reflect the company's growth from the Southeastern United States to states that include Arkansas, Georgia, Indiana, Louisiana, Mississippi, Tennessee, Virginia and Washington, D.C.

Verida's current services will remain unaffected. There are no additional changes to the company's day-to-day operations or leadership teams. The only change members and providers will experience is that Verida will be prominently featured in all correspondence and materials including on the portals, emails, website and vehicles. Also, Verida's name and branding will be used when providers, facilities and members schedule appointments.

The company's new website is verida.com, provider portal address is provider.verida.com and the facility portal is facility.verida.com. Members should visit verida.com and the member portal at member.verida.com.

Updated Consent for Sterilization form available

The Centers for Medicare & Medicaid Services (CMS) has released the updated version of the *Consent for Sterilization* form (HHS-687 in English and HHS-687-1 in Spanish). Effective immediately, use the updated version of HHS-687 when obtaining initial consent for sterilization procedures. It is not necessary to re-consent patients that have already signed the HHS-687 version with an April 30, 2022 expiration date. Consent for sterilization will be accepted using the expired HHS-687 form, if signed on or before Jan. 31, 2023.

Providers can find the English and Spanish versions of the form in the Claim-Related Forms (Nonpharmacy) section of the [Forms](https://in.gov/medicaid/providers) page at in.gov/medicaid/providers.
